

## At-Large Representative Nomination Acceptance

Barbara Moschetta  
Passaic County Technical Institute

I have been a member of NJAFPA since my appointment as Supervisor of State & Federal Programs at Passaic County Technical Institute in 2004. For the past three years, I have served as an Assistant Principal at PCTI with direct supervision of the current Supervisor of State & Federal Programs, Joaquim Johnson, and involvement in overseeing Title I implementation and management.

I continue to be committed to seeing NJAFPA succeed in delivering programs and information to experienced and novice program administrators. While I have served as a mentor to my successor, many program administrators have few people they can turn to in their own districts, as was the case for me when I was first appointed. The organization's programs, knowledge of resources, connection to NJDOE personnel and professional development opportunities enabled me to succeed in my position. NJAFPA provides an invaluable venue for program administrators to connect and network with colleagues with similar responsibilities, issues and questions about how to best serve the needs of struggling students. This is the vision that I share with NJAFPA and I would be proud to serve as an At-Large Representative.
